INTRODUCTION

Our first Children Without Beds delivery was technically in 2016, as my eyes open to furniture poverty and how it impacted children and their families in Atlanta.

Tracy Graham our President & Co- Founder, has been doing children missions/charitable work for over 20 years and was invited into the home of a woman in downtown Atlanta for prayer. As she entered the empty apartment, she felt compelled to help. Our team quickly went into action raising funds to furnish the small apartment.

On the delivery day, a few of the local kids from our outreach program assisted with unloading the truck. The last items to be removed from the delivery were the mattress and bedroom set. One of the little girls who came out to help looked up at me and said Ms. Tracy "I don't have a bed". I stood frozen in disbelief, only to have another little boy standing next to her say "I don't have a bed either". The little girl then took my hand and proceeded to take me into her apartment, we went down a dark hall and into her room that she shared with her sister. As I entered the room, I saw a floor covered with clothes and old couch cushion for a pillow and a thin blanket. I left that apartment determined to make and be the difference.

"Children deserve Better Sleep For Better Health."

At Children Without Beds, Corp, we recognize the relationship in healthy children and the impact it has on our community. We believe that if children are given the basic essential of a good night's rest, they can soar.

Through our personal experiences, we have observed the smiles, energy, and sense of belonging a child has when they know they have a bed to call their own.

We truly believe that "In a world full of dreams imagine giving a child a comfortable place to rest their dreams".

EXECUTIVE DIRECTOR'S MESSAGE

TRACY GRAHAM

President & Co Founder

" I AM PROUD OF THE IMPACT CWB'S IS MAKING IN THE ATLANTA AND METRO ATLANTA AREA"

As I reflect on this year of Children Without Beds, Corp's presence in the Atlanta community, I shout with joy acknowledging all of the lives and people we have impacted.

Thank you to the organizations and people that welcomed us into their communities and believed in our message. A special thanks to my Board of Directors for using their experience and passion to help change lives one bed at a time.

Every child deserves a bed to sleep and feel safe

In the upcoming year our team is focused on expanding our vision through community engagement and continuing to partner with our donors to serve as many people as possible.

We still have many challenges including expanding our operations to support our mission, writing more grants, and increasing the conversation around Children Without Beds.

Our vision is big, our hearts are bigger. I personally want to thank you in advance for your support and continued encouragement.

Sincerely,

Tracy Graham

OUR STORY SO FAR

OUR MISSION

As a faith-based organization, we are ordinary people just like You, with a heart to help children have a comfortable place to lay their head at night.

OUR PURPOSE

The Purpose of Children Without Beds, Corp is to provide essential beds to children and their families in need. We come alongside families as they rise out of poverty towards self-sufficiency and supply furniture resources.

KERRY J. PATTON

Vice President & Director of Operations

"I want people to imagine what it would be like to not have a bed to call your own. That's the reality facing hundreds of children in our Atlanta community."

- Kerry J. Patton -VP & Director of Operations

Children Without Beds, Corp has a specific mission to provide beds, cribs, and bedding essentials to those who need them the most, our families rely on us for these much-needed items. My goal at CWB is to become the largest bed bank in the Atlanta, in order to solve the furniture poverty issue.

We are receiving request for beds at records levels and increasing our capacity to serve. I anticipate that 2024 will be our best year yet, and I hope you will consider joining as a donor and/or volunteer as we continue this important work.

Sincerely,

Kerry J. Patton
